

**“Online transactions are swift & secure, provided you are wise & sure.”**

- ▶ Do not undertake online transactions from a public terminal.
- ▶ Do not access online banking sites via an online link.
- ▶ Only transact through a protected website, where the name of the site is preceded by 'https:' or a padlock sign appears on the browser window.
- ▶ Never disclose account details and password over the internet or over telephone to anyone.
- ▶ Consistently use an alphanumeric password that cannot be easily guessed.
- ▶ Verify the SMS and email alerts sent to you for the transactions correctness and immediately report for any un-authorised transactions in your account.
- ▶ Always LOG OUT and close the browser window after doing your online banking.

**Wishing you  
Safe & Happy Banking!**
