Manpreet Badal hits out at BJP on Rafale deal

TRIBUNE NEWS SERVICE

SHIMLA, DECEMBER 19

Punjab Finance Minister Manpreet Badal on Wednesday accused the Modi regime of misinforming the Supreme Court about details in the Rafale deal which had resulted in huge loss to the exchequer.

Addressing a press conference here, Badal said the country had suffered a loss of Rs 41,000 crore in the purchase of 36 Rafale fighter jets. "The NDA regime has failed to provide a satisfactory reply as to why a sum of Rs 1,670 crore was spent on purchase of one plane when the UPA had struck the deal with price of one plane at Rs 526 crore," he said. He added that this price also included the transfer of

technology of the jets.

"It is evident that the NDA regime has misled the Supreme Court on the details of the Rafale deal as no CAG report was done nor the Public Accounts Committee examined this report which points at irregularities," he said. He added that by doing

so Modi regime had compromised on the security of the nation. Badal said the Centre had also not acceded to the demand of the Congress for a JPC. "It is obvious that it is the JPC and not the Supreme Court which can look into all the details of the Rafale deal."

No wrongdoing in deal, says Dhumal

HAMIRPUR, DECEMBER 19

"The purchase of Rafale fighter aircraft was executed with transparency and there was no question of any kind of corruption" said Prem Kumar Dhumal, former Chief Minister while addressing a gathering at Gandhi Chowk here on Wednesday.

He said Congress leaders had made hue and cry on the issue, which was baseless and the Supreme Court of India had categorically said the deal was done fairly and there was no need for it to be challenged. He said the government had also submitted the affidavit to the Supreme Court on the process involved in the purchase of the Rafale planes. He said the purchase of the plane was important for improving the power of defence forces of the country in general and the Air Force in particular. He said the Congress had placed national security at risk by not purchasing the fighter plane on time. He said the escalation in the cost was due to the improvement in technology and delay in placing the order.

Speaking on the selection of Ambani as an offset partner for the deal, Dhumal said it was the prerogative of the Dasault Company to choose the offset partner and the government had no role in that. He said the Congress had refused to discuss the matter in both houses of Parliament and its demand for
